New Programming on Wednesday and Thursday Evenings

Wednesday

7pm - L.A. Theatre Works is an award-winning, critically-acclaimed radio theatre series "The Play's The Thing." It is a radio drama that is contemporary, edgy and significant. More information is at latw.org.

8pm - Chamber Music on KKFI with Dr. Mike Pettengell. for the first time KKFI offers you two hours of classical chamber music. The entire history - from the Renaissance to contemporary - will be covered, featuring the most popular chamber pieces, as well as more obscure works.

Dr. Mike will welcome guests from community groups, and information about local concerts will be featured each week in this, Kansas City's only local, live classical program on the FM dial!

10pm - Vibes With Val (Val Baul) From rock 'n' roll to bluegrass to electronica to hip-hop, ride the Vibes with Val for a little bit of anything and everything and even that little something you've

been searching for. If you're open to variety, she's the hostess with the mostess to take you on a musical journey like you've never heard before.

Thursday

7pm - Thursday Night Special - You never know what you might hear in this time slot. It could be a new show audition, a timely current event's story or a show from our archives. Check in often. It will be something new and different every week.

8pm - Local Showcase - Features live or recorded performances of music, poetry, prose, etc. from local and regional artists. This showcase is hosted by KKFI programmers who cover a broad spectrum of musical genres.

10pm - Blended with Artie McDonnell - Artie plays a little old, a little new, and some a little different! Spanning decades and genres all in two hours.
